### REPORT

The Government of Goa, Daman and Diu, by its Order No. 28/75/85-ILD dated February 13, 1985, has referred for the adjudication of this Tribunal of an industrial dispute between the above parties. The schedule annexed to the Order of reference reads as follows:

"Whether the demand of workmen employed as Security Guard by M/s. Paramount Security Services for 20 p.c. bonus for the accounting year 1981-82 is legal and justified?

If not, to what relief the said workmen are entitled to?"

2. Notices were issued in terms of Rule 10(b) of the Industrial Disputes (Central) Rules 1957 to both the parties to file their statements before this Tribunal and send the copies to the other party and date was fixed for hearing on 8-4-1985. On the date fixed, only the Union's rep. remained present and applied for time to file his statement of claim on the ground that he has not been able to contact the workmen inspite of several intimations sent to them. The employer remained absent, although duly served.

The case was adjourned and fixed today. The Union's rep. remained present but the employer continued absent. The Union's rep. moved another application for adjournment, on the ground that the workmen, inspite of several intimations, have not approached the Union for filing its statement of claim and requested that opportunity be given to find out from the workmen whether they are serious in pursuing the dispute or not. This application was rejected by the court on the ground that sufficient time had already been given to the parties to file their statements. The employer has consistently remained absent and the workmen, it appears, are also not interested in pursuing with the matter. Hence, this report to the Government with a request to treat this reference as disposed off.

### AWARD

The Government of Goa, Daman and Diu, by its Order No. IRM/CON(198)/77/IT-19/78 dated 24th May, 1978, has referred for the adjudication of this Tribunal of an industrial dispute between the above parties. The schedule annexed to the order of reference reads as follows:

"Whether the action of the employer Shri Narendra S. Fatarpenkar, Betim, Bardez, (Goa), in terminating the services of Shri Babi M. Sawant, Driver w.e.f. 1-9-1976 is legal and justified?

If not, to what relief the concerned workman is entitled to?"

2. In the course of the proceedings, there was an amendment application moved by Shri Prabhakar Shamba Fatarpenkar and Shri Mohanlal Shambu Fatarpenkar, who were added as parties in the proceedings alongwith Narendra Shamba Fatarpenkar, all three constituting Party No. II.

3. The case of the workman is that he was employed by Shri Shamba G. Fatarpenkar, the father of Narendra in 1927 and after the death of Shamba, the services of the workman were taken over by one of his sons, namely the said Narendra who succeeded Shamba in the business. During his employment, the employer did not continuously engage the workman in driving, but also allotted him other work, like looking after the maintenance of his vehicles, do local purchases and, finally, posted him in the garage. His services were terminated in December 1976 without any written notice.

4. In his written statement, the employer Narendra challenged the maintainability of the order of reference made by the Government, on the ground that there was no employer-employee relationship between him and the workman and that until such relationship was proved, this Tribunal had no jurisdiction to entertain the reference.

On the merits, he denied that, after the death of Shamba, the workman was engaged by him at any time in any capacity.

5. There was a rejoinder filed by the workman.

6. The added parties also filed their written statement more or less in the same terms as of Narendra.

7. Following issues were framed by the Tribunal:

"1. Whether the workman proves that there were Employer/Employee relations between Shri Xamba Fatarpenkar and the workman and, after the death of the said Xamba, between the latter's sons Narendra, Prabhakar and Mohanlal, successor's in the business and the workman?

2. In the affirmative, whether the employer proves that the termination of the services of the Workman as driver is justified?"

8. When evidence was to be led by the parties to prove the above issues, the workman, accompanied by his representative Advocate Nigalye, moved an application stating that, due to his old age and sickness, he does not wish to pursue with this reference and prayed that it may be treated as closed or withdrawn by the workman. Workman's representative also made an endorsement below the said application, stating that he does not want to lead any evidence.

9. As issue No. 1 goes to the very root of jurisdiction and as the said issue had to be proved by the workman and he did not lead any evidence regarding the same, it is to be deemed as not proved and, consequently, the need to prove issue No. 2 does not arise.

10. In the premises above, I pass the following order:

#### ORDER

As the workman has not proved that there were Employer-Employee relationship between him and the employer, this Tribunal has no jurisdiction to entertain this reference. Hence, it is dismissed. In the circumstances of the case, I leave each party to bear its own costs.
